Friday 27th January

Aspirations and Enterprise

Over the next two weeks we will be holding events which we hope will **raise children's aspirations**. The aim is to give the children a greater appreciation of **finances** and the link between money and work. Next week pupils will be looking at different **careers** and the qualifications needed to achieve them. There will also be sessions where children look at **economic well-being and financial capability**. The following week each class will **create a business**. You may be asked to part with some of your 'hard earned cash' during the week, but the children will let you know the details. Any **profit** the classes make, they can keep to spend on resources for themselves.

Chorley get up and go

Chorley council are hosting a variety of fun sports and activities in the community during February half term. These include a **sports camp** for children 8+, and mini-fun sessions for children age 4-7. For more information see the posters around school or ring 01257515151 or visit chorley.gov.uk/getupandgo

Class Assembly

Cherry class assembly takes place next **Tuesday** at 9am.

Fresh Air Fitness

This club on a Monday evening is an outdoor exercise session on the field. Clothing and footwear must be **separate** from any PE kit and **WILL** get muddy

Enrichment trips

Apple and Beech class enjoyed their visits this week to the **zoo and Eureka** respectively. Please see the website for photographs.

Attendance

Well done to **Rowan class** who had the best attendance this week (99.6%). **Elm and Beech** classes have had the fewest lates this week.

Through monitoring the attendance we have noticed that **sickness** is the main reason why children are off school. Please do not keep your child off with **minor illnesses such as colds** and only apply the 48 hour rule if your child has had a **stomach bug** not if they have vomited for other reasons.
