Welcome back

I hope that you have all had a great summer holiday. I am very impressed with the way that the pupils have returned to school this week. They all look very smart in their uniforms and I hope that this continues all year. The children have quickly settled back into school life and the behaviour of all the children has been great. I would like to welcome all our new parents of our reception children and look forward to developing a very important relationship between school and home over the next 7 years.

Breakfast club

For 50p your child can have breakfast from 8:15 to 8:45 and start the day in the right way! No need to book just turn up and sign your child in. Everybody welcome.

Meet the teacher night

This will take place on Wednesday 21st September from 3:30pm and is a chance for you to meet your child's new teacher and find out about their learning for the year. Further details will be sent out next week

Hothersall Lodge

Our Year 6 pupils will be attending Hothersall on their residential trip next week. Fingers crossed for good weather.

Building work

Thank you for your patience while the construction work was being carried out at the start of the week. This was supposed to be completed during the summer holidays giving our reception class a new canopy to allow continuous outdoor provision. As often with these things, it didn't go to plan but now completed I am really happy with the outcome.

Key dates

Your child should have brought home a yearly calendar with all the dates on for the year. We will try and stick to this unless we have unforeseen circumstances so keep it somewhere safe. I will also put reminders on this newsletter of upcoming events.
