## Headteacher's update

We have been very busy and excited this week following the announcement from Lancashire County Council on Monday as we can now put our plans into place to allow more pupils to return to school. The response from parents has been very positive and it looks as if the majority of pupils in Reception, Year 1 and Year 6 will be back in school next week. Although, school won't be as it was before lock down (pupils will be in smaller 'bubbles') it feels like we are starting to return to some sort of normality. Staff will be outside on Monday, to direct you to the correct gate and door. In order to help with making this all work we **need pupils to be dropped off and collected at the appropriate time**. Please reread the arrangement letter that was sent out this week, but if you are unsure about anything please contact school. Remember parents **MUST** not enter the school building without a prior appointment.

## Contact details

Now more than ever it is important that we have your up to date contact details. Starting next week our admin staff will be phoning you to get this information.

## School meals

Next week, packed lunches should be brought in disposable packaging. If your child is having a paid meal, please send money in at the start of the week in a named envelope.

## Asthma/medical

Please can you make sure when children return they have their inhalers or other medical resources that may have been taken home when we closed.

## Free School Meals

The latest vouchers will be emailed over the next few days. The scheme has been extended to include the summer holidays thanks to the work of Marcus Rashford so vouchers will continue through until September.

## School Uniform

Children in school from next week should be wearing uniform. We understand that some children might have outgrown theirs and we wouldn't expect you to buy new for 4 weeks. If that is the case let us know.

All orders of uniform for September need to be in at the office by the end of June.

## Support

Please don't forget we are always here to help if you are struggling in any way. Please give us a ring either at school or you can text or ring Mr Proctor on 07810384793 or Miss Jolly on 07340051356 (new number).

We are working hard to provide all the support we can during these uncertain times.

Remember if your child or anyone in your household has a continuous cough, temperature or loss of taste or smell to self-isolate and get a test.
