

Hazel

As historians, we will

learn about the features of a medieval castle.

Compare our homes to castles.

As aspirational people, we will

consider what type of a home we would like to live in when we grow up.

Spring Term 1

As geographers, we will

locate castles in the UK and mark them on a UK map.

As healthy citizens we will

understand the importance of brushing our teeth twice a day.

Topic Title – Medieval Magic

As design technicians, we will

explore and design our own junk model castles.

Use materials to practise gluing and taping to make and strengthen products.

Make products, refining the design as work progresses.

As literate people, we will i

mitate, innovate and invent a journey tale based on 'Sir Ned and the Nasties'.

Write instructions for how to trap a dragon.,

As scientists, we will

explore materials including what objects are made from, texture and natural/man made.

Carry out an investigation to find out which materials are waterproof.

As mathematicians, we will

read, write and count 1:1 numbers to 20 and then 50.

Learn number bonds to 20.

Add and subtract numbers to 20.

Identify, explore and measure length, height, weight and volume.

As athletes, we will

develop fundamental skills when travelling, balancing and rolling a ball.

Explore dance with Chorley Sports Partnership.

As computer scientists, we will

understand what coding means in computing.

We will use the 2Code program to create a simple program.

As musicians, we will

listen to a explore beat and rhythm using 'In the Groove' on Charanga.

As religious scholars, we will

be asking the question 'How do people show their devotion?'.

We will look at who and what is really special to me.

We will explore how and why Hindus believe it is important to show their devotion to the deities.
